What is the NJFOP?

The **Fraternal Order of Police** is comprised of active and retired law enforcement officers of all ranks from all branches of government Federal, State, County, and Local. Members work side by side to improve the profession and serve the public.

At all levels, Local, State, and National, the **FOP** provides members with professional legal defense, a powerful collective bargaining voice, and advocacy for law enforcement legislation, and seminars for professional development.

FOP members strongly believe in Community involvement, and support such organizations as Easter Seals, Special Olympics, and in New Jersey, the Deborah Heart & Lung Center.

The **FOP** also provides members with opportunities to meet fellow officers away from the job, to encourage friendships and networking. Through its many services and activities the FOP is a family that helps members' in good times and in bad. Below is just an example of some helpful information found on NJFOP's website.
