- ✓ As a highly experienced attorney in the fields of
personal injury, I fight hard and aggressively
litigate, if needed, to compensate you for your
losses.
- ✓ Do not be alarmed if the negligent party was
uninsured!
- ✓ I pursue all parties who may be obligated to
compensate you for wrongful acts of others
without any increase in your insurance
premiums.
- ✓ Oftentimes, your own insurance may
compensate you for the wrongful acts of others.

I WORK FOR YOU!

I maintain dignity and respect for the legal rights
“of the people” regarding personal injury,
medical malpractices, Vehicular injury, illness or
injury by conditions at work, public areas or

during any event.

“Everyday, I am helping each of us benefit from BETTER workplaces, QUALITY health care and SAFER roads.”

- ✓ I will immediately inform you of important developments in your case.
- ✓ I will immediately identify any opportunity for you to make a decision in your case.
- ✓ I will include you in my decision-making process.
- ✓ I will prepare you, as my client, for important lawsuit events, for testifying in court or answering questions in a deposition.
